Busselton Junior Golf Academy Term 1

Trying something different with after-school or weekend activities this term?

Golf is a safe, fun and challenging game for all kids regardless of athletic ability.

Term 1 classes are held over 9 weeks and include tuition in all aspects of the game for an hour, in a relaxed and fun environment. (Includes all equipment)

FREE Golf Course use is offered during the term for practice and access to our Junior 9 hole Competition on Sundays is encouraged.

We offer a FREE introductory class for new students to determine suitable classes as we do our best to balance age and experience levels.
